MEET OUR TOP SIX GREYHOUND CHAMPS

HIGH EARNER

TRAINER: Kelvyn Greenough
OWNER: Christine Robertson

DOB: May 2007

High Earner was, at one stage, the highest stakes earner in Australia. He started 68 times for 32 wins and 21 placings, earning \$610,000 in stakes. He won the G1 Perth Cup (twice) and won the G1 Temlee, G2 Vince Curry Maiden and the G2 Old Derby and G2 WA Derby. He was a finalist in the G1 Topgun, G1 Temlee, G1 Adel Cup and G1 Aust Cup, and many other minor feature races. At stud; he was successful without being a great sire but died young, robbing him of the chance to consolidate his reputation as a sire. He is the sire of star race bitch Star Recall (40 wins, \$446,000), G1 bitch Lamia Bale (23 wins, \$373,000) and her G1 class sisters Dyna Nico (13 wins, \$133,000) and Kerrigan Bale (14 wins, \$98,000). The staying star Ada Mary (18 wins, \$142,000), the powerful Sisco Rage (29 wins, \$224,000), Group star Ralphie Cinel (16 wins, \$124,000), Saving Bundles (17 wins, \$156,000), Tassie star Sing The Song etc etc etc. He is already proving a successful broodbitch sire with a daughter producing G1 star Quick Jagger, the G1 staying star Just Terms, the outstanding sprinter Vanderworp, and star Tassie bitches Peco Can and Hello Rhonda.

PIGALLE WONDER

PARENTS: Champion Prince - Prairie Peg
TRAINER: Jim Syder **OWNER:** AL Burnett

DOB: March 1956

For many serious greyhound students, Pigalle Wonder is the fastest dog of all time - the complete greyhound. Wonder did, of course, win the 1958 Derby, again reckoned to be one of the best, having broken the White City 525 track record in the heats - the record remained Pigalle's for ten years. He also broke the 525 records at Wembley, Harringay, Carntyre, and Powderhall and the 550 clock at White City. He won the Pall Mall, dead-headed in the Cesarewitch and a string of other significant events. At four and a half, he returned to Ireland and was runner-up in the Irish Derby.

MICK THE MILLER

PARENTS: Glorious Event - Na Boc Lei
TRAINER: Sidney Orton **OWNER:** Arundel Kempton

DOB: June 1926

It could only be Mick - arguably the most famous greyhound the world has ever seen. In terms of his track achievements, they are all there. 20 Irish Races, 15 Wins. 61 British races, 46 wins. He won two English Derby's and made another final; he won a St Leger at five years old. He won 19 races in a row. He won two Spring Cups and an International. He broke the track record on his way to the 1930 Cesarewitch, and Welsh Derby wins. But Mick was so much more than that. When greyhound racing was the most exciting new sport on the scene, Mick arrived right on cue. He was constantly in the newspapers, on the newsreels - in retirement, he even made a film. He was as well-known to Britain in the 1930s as Red Rum would be half a century later. The most important greyhound ever to race in Britain - no argument!

MILE BUSH PRIDE

PARENTS: The Grand Champion - Witching Dancer
TRAINER: Jack Harvey **OWNER:** Noel Purvis

DOB: August 1956

Pride might have only won one English Derby, but his record puts him alongside the double winners. He ran third, first (undefeated) and second in his three finals, two of which were a great decider that included first Pigalle Wonder and secondly Crazy Parachute. Pride also achieved the Grand Slam by winning the Scottish and Welsh Derby's. He also won the Cesarewitch. Just class, pure class.

BALLYREGAN BOB

PARENTS: Ballyheigue Moon - Evening Daisy
TRAINER: George Curtis **OWNER:** Cliff Kevern

DOB: May 1983

The most famous greyhound of the post-war era and the best stayer that British racegoers have ever witnessed. Bob will of course, be remembered for passing Westpark Mustard's win record of straight victories and then stretching it to a world record 32 in December 1986. But there was so much more to Bob. An NGRC career with only six defeats in 50 races. The 16 track records set or equalled wins in the William Hill Lead, Olympic, Test, and Essex Vase. The match against Scurlogue Champ made the national TV news. The appearances on children's TV and BBC Sports Personality of the Year. He remains preserved as a museum exhibit - a fate reserved for the few.

LOCAL INTERPRIZE

PARENTS: Ruby Border - Mythical Daisey
TRAINER: Stan Biss **OWNER:** E.W.Goddard

DOB: 1946

For two years in the late 1940s, Local Interprize was a dog who could not be ruled out of any competition. In 1948 alone, he won the Scurry, the Gold Collar, the Welsh Derby and the Cesarewitch. He was second in the English Derby and fifth in the Laurels. In 1949 he again won the Gold Collar, was beaten a short head in the Scurry and again reached the English Derby Final. Four classic wins (the Welsh Derby, not designated a classic until later) and another four finals - some record.
